FLIGHT-TYPE

FlightStar®		<p>Assembly of all flight sections, including internal wiring, piping, thermometers and leveling of machines is performed by Jackson factory-authorized personnel. Jackson factory-authorized personnel will also conduct performance test and operator training at the time of assembly. Final utility connections for plumbing and electrical shall be provided by others and should be conducted by an authorized and licensed tradesman in accordance with local and national building codes and guidelines. All Jackson Flight-type machines come standard with a one-year parts and labor warranty and a two-year quarterly preventative maintenance program through the local Jackson Authorized Service Agency (ASA).</p>	Call Factory

Warranty	For a period of one (1) year from date of original installation of a new Jackson Dishmachine (but in no event to exceed eighteen (18) months from date of shipment from Jackson's factory), Jackson WWS, Inc. will repair or replace at its discretion, any original part that proves defective in materials or workmanship at the time the Dishmachine was purchased. See our Manufacturer's Limited Warranty Statement at www.jacksonwws.com/resources/jackson-wws-manufacturers-limited-warranty for full details.			
Extended Warranties	Extended warranties are available on most* new Jackson manufactured dishmachines and must be purchased at the time of equipment order. A one (1) year extended warranty is available at a rate of 6% of the machine's list price and a two (2) year extended warranty is available at a rate of 11% of the machine's list price. *NXP models are not eligible for an extend warranty			
Free Start-up	<p>Most* new Jackson manufactured dishmachines qualify for a Complimentary Performance & Installation Check by a Jackson Authorized Service Agency (ASA)*. When the machine is installed by a Jackson ASA, this complimentary service is provided at the time of installation.</p> <p>When the installation is not performed by the local Jackson ASA we will still conduct the Complimentary Performance & Installation Check to verify the installation was done correctly and that the machine is operating properly. Contact Jackson Technical Service to arrange for this service.</p> <p>Jackson WWS limits travel time to two (2) hours and mileage to one hundred (100) miles round trip. Jackson WWS will not pay for travel time and mileage that exceed this, or any fees such as those for air or boat travel without prior authorization. For machines located beyond the above stated limitations, please contact Jackson Technical Service for assistance via phone, 1-888-800-5672.</p> <p>*NXP models are not eligible for Free Start-ups</p>			
Quick Ship Program	All items marked with  are part of Jackson's standard configuration product offering and usually ship quicker than custom products. Please contact Jackson Customer Service for lead times.
